

45th SADC SUMMIT 2025 SUMMIT PUBLICATION

If you choose only one publication to announce your achievements and products, it should be this one. The Summit publication offers you the whole of southern Africa, a regional market of 370 million people, and reaches top decision-makers throughout the 16 Member States of the Southern African Development Community (SADC). The publication provides an accessible update on regional integration and industrialisation, and other SADC activities toward Vision 2050.

The Southern African Research and Documentation Centre (SARDC) publishes this quality publication for each SADC Summit, and has been requested to do so for the next Summit of SADC Heads of State and Government to be hosted by Madagascar. The publication is funded through advertising from governments and private sector, and is circulated in the region for the coming year in print and online. This continues to be an online reference which is accessible through the SADC website at www.sadc.int or the SARDC website at www.sardc.net

Direct circulation reaches Heads of State and Government, key ministers and senior officials, as well as private sector, key agencies, parliaments, media and public. Advertorial and advertising space is available to reach this target group in a half-page, full-page, or double page space. See booking form below.

As SADC marks 45 years since its formation in 1980, we extend to you a platform to feature as a partner in the journey toward regional development and prosperity. You are one of a limited number of potential advertisers selected for this purpose, and we urge you to act promptly to take up this opportunity. Your support is needed for this important initiative to share current developments in SADC and highlight the benefits and opportunities of regional integration, while profiling your institution in this regional market.

Silver – A4 Half Page – US\$2,500
Gold – A4 Full Page – US\$3,500
Platinum – A4 Double – US\$6,000
